## Surfaces

Glass bubble ball vase

## Supplies

#6 flat brush

#3 round brush

#0 round brush

Rubbing alcohol

Water container

Palette or plastic plate

Paper towels

Brush soap

Pencil

Tracing & transfer paper

### Instructions

1. Clean vase with rubbing alcohol and dry well before painting.
2. Print off pattern and use pencil to trace and transfer pattern in centre of vase.
3. Apply Tuscan Red accurately to top of mushrooms with #3 round brush. Let dry.
4. Apply Glorious Gold to bottoms of cups of mushrooms with #3 round brush. Let dry. (Leave detail lines off until later.)
5. Apply White on bodies of mushrooms with #6 flat brush. Let dry.
6. Apply Citron Green and Festive Green on grass with #0 round brush. Let dry.
7. Start again, applying second coat for previous colours, letting each dry before proceeding.
8. Repeat again with third coat to achieve best opacity. Rinse brushes.
9. Define details with #0 round brush #0 and Black: outlines; details on cups of mushrooms; grass). Let dry.
10. Apply White with same brush in highlights of bottoms of mushrooms. Let dry.
11. Coat with Multi-Purpose Sealer to protect.
