Instructions

Note: Let each coat dry completely before continuing.

1. Using 3/4" flat sponge brush paint entire pot Pumpkin. (Repeat as necessary.) Trace pattern onto tracing paper. Transfer pumpkin section lines only using stylus and transfer paper.
2. With 1" angular brush and Tiger Lily Orange, shade down either side of section lines.
3. Mix Tiger Lily with small amount of Geranium Red. Using same brush, deepen shading on either side of section lines.
4. Dip dry 5/8" stencil brush lightly into Marigold. Rub off paint onto paper towel then gently rub a soft highlight down the center of each section.
5. Repeat same procedure using Fiesta Yellow.
6. Transfer features and lettering onto pot and rim using pattern, stylus, and transfer paper.
7. With #8 flat brush, base teeth and eyes with Cloud White; nose, Geranium Red; and rest of mouth, Wrought Iron Black.
8. Paint iris portion of eyes with Fern Green. Pupils are painted Wrought Iron Black using #0 round brush.
9. Using 10/0 liner brush and Wrought Iron Black, outline features and lightly paint section lines.
10. With 10/0 liner brush, add highlights to eyes and nose using Cloud White. Highlight dots on pupils are done with end of brush handle or stylus.
11. Letters are painted using #0 round brush and Fern Green.
12. With liner brush, paint thin line on left side of each letter using Wrought Iron Black and thin line on right side of each letter using Cloud White.

Helpful Hint

Do not expose pot to moisture for 72 hours after painting.
